

# Moment of Truth: Sorting Fact from Fiction in the Age of Misinformation

Join us for a forum on Zoom about media literacy, a critical topic now that fact-checking is no longer in effect.

## OUR SPEAKER: STARSHINE ROSHELL

Starshine is an award-winning journalist, producer and educator. She was a reporter for over a decade at the Santa Barbara News-Press, where she helped lead the reporters' walkout over the publisher's failed journalistic ethics. She taught journalism at UCSB and SBCC, and now produces educational content for LinkedIn. Starshine is a national Association for Women in Communications' Headliner Award recipient, and volunteers with the News Literacy Project.
